Year Group:

School:

### Instructions

Read all the information. For some questions you may need to draw or write an answer. For other questions you will need to tick one or more boxes.

#### 1. Body parts.

Tick the boxes to show which animals have a tail:

Dog

Human

Cat

Rabbit

Tick the boxes to show which animals use four paws to help them walk and hop around:

Dog

Human

Cat

Rabbit

Write down which animal uses its tail to tell friends that he is in danger:

.....

### 2. Healthy foods and exercise.

What drink should humans and all pets have access to every day?  
Put a tick in the right box:

Coffee

Milk

Water

Fruit juice

Write down the two things all humans and animals should do in order to be a healthy weight:

.....

Write down some healthy human foods, and some unhealthy human foods:

Healthy human foods	Unhealthy human foods

Write down three fun ways you like to exercise:

.....

.....

.....

Explain why humans and animals all need to eat healthily and exercise:

.....

.....

.....

.....

### 3. Teeth.

Tick the boxes if you agree this is good for your dog's teeth:

- Buying a special doggy toothbrush and toothpaste
- Giving your dog lots of sugary snacks to eat
- Giving your dog special dental chews
- Taking your dog to the vet for regular dental check-ups

Remember the video PetCast you watched about checking your dog's teeth. Tick the boxes to show which items the vet used to help keep Louie's teeth clean:

- Doggy toothbrush
- Human mint-flavoured toothpaste
- Old flannel
- Doggy chicken-flavoured toothpaste
- Dental Chews
- Mouthwash

### 4. Parasites and grooming:

Tick the boxes if you agree that you should treat fleas by:

- Trying to collect them
- Taking your pet to the vet for treatment
- Giving your pet a bath
- Ignoring the fleas

Put a tick in the boxes if you agree that parasites:

- Live inside your pet's body
- Drink your pet's blood
- Make your pet happy
- Burrow under your pet's skin
- Spread diseases
- Bite you and your pet

Write down two examples of parasites that can live in or on your pet:

.....

Explain why you think you should regularly groom your pet's fur:

.....

.....

.....

.....
