### Instructions

Read all the information. For some questions you may need to draw or write an answer. For other questions you will need to tick one or more boxes.

#### 1. Taking responsibility for owning a pet.

Remember the video PetCast you watched about a PDSA PetAid team in action. Jack the dog had been run over by a car. Tick the boxes to show some of the things the vet did for Jack the dog:

She checked Jack's leg  She gave Jack some anaesthetic  She weighed Jack

She fed Jack  She took Jack for a walk  She operated on Jack's broken leg

Write down some healthy human foods, and some unhealthy human foods:

### 2. Pet living space and needs.

Tick the boxes of the things that a cat needs:

- To drink lots of fresh water
- To be fed a diet of mostly hay
- A scratching post

Tick the boxes of the things that a rabbit needs:

- To sleep in a large hutch
- To eat hay and vegetables
- A collar and identity tag
- To be given safe space to exercise in

Explain which pet you would like to own and what you would do to make sure your pet was happy and healthy:

### 3. Safety and hygiene.

Tick the boxes of the things that you should do when you take a dog out in a public place:

- Keep it on a lead       Let it become aggressive towards other pets or people
- Pick up it's poo with a pooper-scooper       Let it jump up at strangers

Tick the boxes of the things that you should do in order to safely dispose of your pet's poo:

- Ask an adult to help       Dispose of it very carefully into a sealed bag
- Let your pet lick your face       Always wash your hands afterwards

Write down three fun ways you like to exercise:
